The tiny nation of Israel is divinely destined to become the final superpower state. At its humble beginning in 1948, there were only 600,000 Jews living in the Promised Land when the world witnessed the revival of an ancient nation, reborn to join the nations of the world in the 20th and 21st centuries. Since its inception, this tiny nation, about the size of New Jersey, has defied conventional wisdom. Not only has it survived 67 years, but it has thrived, and confronted the entire world. God's Word, as declared in His infallible book, the Bible, will come to pass. The power and presence of this little nation, like David facing Goliath, is destined to demonstrate to the world that there is a God in heaven.

It is not an accident that the entire world, including the Vatican and the U.S. administration, is currently collaborating on the demise of the modern nation of Israel. This is not a surprise to the Almighty! Long ago, the Psalmist declared that the leaders of the world would unite in their opposition to God's Messiah and His eternal plans. (Psalm 2:1-3) According to the Bible, the final global attempt to wrestle the land of Israel and the city of Jerusalem from the Jewish people will take place at the end of the Tribulation Period at the Battle of Armageddon. At Armageddon, the Lord will return from heaven in all of His power and divine majesty to bring a final and lasting retribution against the evil global agenda to destroy Israel. (Zechariah 14:2-3) "For it is the day of the LORD's vengeance, and the year of recompences for the controversy of Zion." (Isaiah 34:8) The divinely stated reason for God's reckoning at Armageddon against the New World Order of the Antichrist is found in Joel 3:2. There, the Bible clearly states that the world's final conflict at the end of this age will take place because the world will attempt to divide the Land of God and scatter the Jewish people throughout the nations. It is very apparent that we are witnessing the global policies that are attempting to invoke an order to remove the Jewish people from the West Bank (Judea and Samaria- the very heartland of the Promised Land), and the Biblical city of Jerusalem, to create another radical Islamic state -- the State of Palestine. Everyone knows that the ultimate goal of all of the Muslims of the Middle East, including the
Palestinians, is the complete annihilation of the Jewish nation.

Why is the world so focused upon the removal of the Jewish people from their ancient homeland, while supporting the creation of another Islamic terrorist state? The answer is found in Psalm 83. In this text, the Bible states that the "enemies of God" constantly scream out their hatred for God and "have taken crafty counsel against [the] people [of God]." (verses 2-3) "They have said, Come and let us cut them off from being a nation; that the name of Israel may be no more in remembrance. For they have consulted together with one consent: they are confederated against [God]." (verses 4-5) The evidence is abundantly clear. Our world is filled with antichrists who oppose the purposes of God for His chosen people in the Holy Land and the holy city of Jerusalem.

Amazingly, many in the professing church deny the literal interpretation of the re-gathering of the Jews to their land and the restoration of the nation of Israel as a reality in the last days. The false doctrine of replacement theology has permeated most of the teachings of the churches in America and around the world. The open rejection of the modern nation of Israel and the alignment of the professing churches with the godless governments and media of the world that support the destruction of Israel, is a demonstration of the apostasy of the church in these last days. They deny the full context of the Scriptures that clearly and repeatedly declares that the same God that scattered Israel will re-gather Israel at the end of this age. "Hear the word of the LORD, O ye nations, and declare it in the isles afar off, and say, He that scattered Israel will gather him, and keep him, as a shepherd doth his flock." (Jeremiah 31:10)

We are now entering a very challenging period of time for the nation of Israel. Jesus described the nature of the end of this age to His Jewish disciples when He said: "And ye shall hear of wars and rumors of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet." (Matthew 24:6) There has never been a nation that will face the constant barrage of hatred, ongoing threats, and attempts of annihilation like Israel will face during the Tribulation Period. The Lord revealed to the great prophet Daniel: "... and there shall be a time of trouble, such as never was since there was a nation even to that same time: and at that time thy people shall be delivered, every one that shall be found written in the book." (Daniel 12:1) Notice that in both of these texts, the Lord told His people to not be troubled, and promised their ultimate deliverance. The Bible is filled with many promises that the newly re-gathered nation of Israel will not be destroyed in the last days. (Isaiah 29:1-8; 41:8-13; Jeremiah 30:1-11; Ezekiel 38:18-23; Amos 9:14-15; Zechariah 12:1-9; 14:1-3, 12-15; Malachi 3:6) I want to remind us all that these words are the infallible declarations of unconditional promises given to the Jewish people by the unchanging Almighty God of the entire universe. His purposes will come to pass. (Isaiah 14:24, 26-27) He is totally sovereign over all of His creation. No one, including all of the powers of hell, can stop Him! (Daniel 4:34-35) Compared to the great Holy One of Israel, "the nations are as a drop of a bucket, and are counted as the small dust of the balance .... all nations before him are as nothing: and they are counted to him less than nothing, and vanity. ... the inhabitants [of the earth] are as grasshoppers, ... [He] bringeth the princes to nothing: he maketh the judges of the earth as vanity." (Isaiah 40:15, 17, 22-23)

According to a multitude of Biblical passages, the nation of Israel is destined to become the final superpower state at the end of this age. As we consider the Biblical evidence that supports this truth, we must constantly remind ourselves that the future of the nation of Israel is not because of who they are, or the resources they possess. God's future plan for Israel is bound up in His own glory. (Isaiah 46:9-13) While speaking about the Jewish people, the Lord said: "This people have I formed for myself; they shall show forth my praise." (Isaiah 43:21) God has revealed that Israel's final restoration is for "mine holy name's sake ... [that] the heathen shall know that I am the LORD." (Ezekiel 36:22-23) Therefore, it must be concluded that the greatness of Israel as the final superpower state is bound up in the greatness of God's Messiah, God's eternal Son, Jesus Christ.

**Israel will become the global superpower, ruling the world with justice and mercy**

According to the Scriptures, at the end of the most deadly and destructive time in human history – the Tribulation Period – the Lord Jesus will supernaturally return to earth from heaven and destroy the global political systems at Armageddon. (Daniel 2:42-45; Joel 3:1-17; Zechariah 14:1-15; Revelation 19:11-20:6) After this occurs, the
King of Kings and Lord of Lords will reign over all the earth for 1,000 years from Jerusalem, Israel. "And the LORD shall be king over all the earth: in that day shall there be one LORD, and his name one." (Zechariah 14:9) All nations, including the redeemed from current nations who are calling for Israel's demise, will respect and submit to the rule of Israel's Messiah. (Isaiah 60:6-12; Zechariah 14:16-19)

The Lord has decreed that His Son will rule over the nations as the sovereign dictator from His "holy hill of Zion." (Psalm 2:6-9) The perfection and power of Israel's global influence will reside in the nature and authority of her divine Messiah. Jesus the Messiah will be the king, legislator, and judge. (Isaiah 33:22) There will be no need for checks and balances on His government, because the King will be perfect. The government in all of its aspects will be guided by the perfect law of God, "for out of Zion shall go forth the law, and the word of the LORD from Jerusalem." (Isaiah 2:3) For the first time in human history, justice, mercy, truth, and peace will prevail over all the earth. "Of the increase of his government and peace there will be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even forever. The zeal of the LORD of hosts will perform this." (Isaiah 9:7)

The application of God's Word in all governmental aspects will be directed by resurrected and glorified saints, who have perfect wisdom. Within the living nation of Israel, the Messiah's administration will include the resurrected King David as his coregent. (Isaiah 55:3-4) Serving under King David will be the 12 apostles. (Matthew 19:28) Faithful church saints in their glorified bodies will rule over the living Gentiles in the global kingdom. (2 Timothy 2:12) Through this godly administration, justice and peace will be enforced throughout all of the nations.

Israel will become the global spiritual leader

The world has forgotten that peace, security, and prosperity are the divine rewards for those nations who worship and obey God. "Blessed is the nation whose God is the LORD." (Psalm 33:12) Those who have the knowledge of God and fear Him possess wisdom for living. (Proverbs 9:10) The Bible promises that those who delight in the Lord and His Word "shall prosper." (Psalm 1:3) In both the past and in the future, the Scriptures promised Israel that if they obeyed the Lord He would prosper them. (Joshua 1:7; Deuteronomy 28:1-14; 30:8-10)

Currently, there is a major spiritual awakening taking place in Israel. There are already more than 20,000 Messianic believers worshiping in more than 200 churches in Israel. As Israel faces growing international isolation and the threat of an Iranian nuclear attack, many Israelis are turning to the Bible for answers. In fact, Jewish Prime Minister Benjamin Netanyahu has revived a tradition started by Israel's first Prime Minister David Ben Gurion and is hosting a "Bible Study" at his official Jerusalem residence. Furthermore, an increasing number of Israelis are considering the possibility that Jesus Christ is the Messiah and Savior of the world. However, all of this is only a small development in light of what is about to take place.

By the end of the Tribulation Period, the entire global Jewish population will be saved. (Zechariah 12:10-13:9; Romans 11:26) The Jewish remnant will be saved while scattered among the Gentile nations. (Deuteronomy 30:1-6) There is no doubt the Lord will use the 144,000 Jewish evangelists that are saved at the beginning of the Tribulation, trained, and sent forth into the nations from Jerusalem during the first half of the Tribulation Period to evangelize the global Jewish population. (Revelation 7)

All Jews and Gentiles who enter the Millennial Kingdom will be saved. (Matthew 25:31-40) However, as the kingdom age progresses, it will be necessary for those children who are born with a depraved heart to receive the gospel and be saved. At the forefront of the global evangelism and education will be the nation of Israel.
The proclamation of the Word of God will be centered in Jerusalem. (Isaiah 2:3) The nations of the world will drink from the spiritual wells of salvation that will gush forth from the throne of the Messiah in Jerusalem. (Isaiah 12:1-6) Throughout the Kingdom Age, the redeemed of the Lord in Jerusalem will make the nations thirsty for His salvation. (Isaiah 52:7-10) The glorious light of God's redemption will finally shine forth from Jerusalem and Israel will be a light unto the Gentiles. (Isaiah 60:1, 3) The walls of Jerusalem will be called "Salvation" and the gates will named "Praise." (Isaiah 60:18)

Everyone knows that the future of a nation is invested in the education of its children. The Word of God will once again become the curriculum for the education of all children in the global kingdom. "All thy children shall be taught of the LORD..." (Isaiah 54:13) Consequently, "the earth shall be full of the knowledge of the LORD, as the waters cover the sea." (Isaiah 11:9)

I would like to remind all of us that the New England Primer, which was filled with Scripture, was used to teach the children of America to read for the first 200 years. One of the things that made America great in its founding years was the Biblical education of its children. They were given a godly moral foundation along with academic factual knowledge. In the last 50 years America has removed God, the Bible, and prayer from public education, and we are now reaping the results of a moral collapse.

Notice that when the global inhabitants of the kingdom are in submission to Jesus, it will result in no more war or violence. The nations will not "learn war anymore." (Isaiah 2:4) "Violence shall no more be heard in thy land, wasting nor destruction within thy borders." (Isaiah 60:18)

The present godless culture does not connect the dots when attempting to find a solution to the growing problems with hatred, lawlessness, rebellion, and violence. The problem is not with guns or a flag, but the real problem is the human heart! Jesus declared that murder and theft are the result of the wicked human heart. (Matthew 15:19) Only Jesus can change the human heart. Our social ills will get much worse as our culture moves further away from God and His laws of morality. There will be no change or hope until King Jesus comes to establish His kingdom of peace.
Israel will be a powerfully united nation

As one examines the nations, it is obvious that our world is in a state of confusion and lawlessness. The nations are radically divided spiritually, politically, economically, morally, and racially. America is rapidly becoming a divided nation. We are politically divided. The political partisanship within our leadership and the nation in general has blinded us. Too many Americans are busy defending their political party, rather than defending and protecting the nation. Like sheep being led to the slaughter, we are becoming a godless socialist state. We are economically divided. There is a very sharp divide between working America and those who have an entitlement mentality. We are morally divided. Those who support and those who oppose abortion and same-sex marriage are passionately opposed to each other. We are racially divided. A spirit of hate and revenge is brewing across the nation along racial lines. It is only a matter of time before America will be in a state of revolution. The evil powers that are in control are waiting for such an opportunity to seize the moment to declare martial law and take complete control of America. We must remember that Jesus said that a nation divided against itself cannot stand. (Matthew 12:25)

Recent years in Israel have illustrated that the Jewish nation also suffers from division when the security of the nation seems to be strong. However, it is very evident from the last political election in Israel that the global isolation and international threats against Jews in general and Israel in particular, are binding the Jewish people together. The growing hatred for the Jewish people and Israel is accomplishing two things: First, it is fueling the return of the Jewish exiles to their ancient homeland. Long ago, the prophet Isaiah wrote: "Fear not: for I am with thee: I will bring thy seed from the east, and gather thee from the west; I will say to the north, Give up; and to the south, Keep not back: bring my sons from far, and my daughters from the ends of the earth." (Isaiah 43:5-6) Ultimately, at the beginning of the millennial kingdom, every Jew will come back home to live in Israel. (Ezekiel 39:25-28)

The global rejection of the Jewish people will also help to create spiritual and political unity within Israel that will continue to exist throughout the entire millennial kingdom. (Ezekiel 37:15-24) The Lord has promised: "And I will make them one nation in the land upon the mountains of Israel: and one king shall be king to them all ... And David my servant shall be king over them; and they all shall have one shepherd: they shall also walk in my judgments, and observe my statutes, and do them." (Ezekiel 37:22, 24)

Israel will become the most prosperous nation in history

I have been taking tour groups to Israel for 30 years and I have been continually amazed at the prosperity and growth that is taking place in Israel. Israel has a growing high-tech economy. The Jewish state has proven itself as an innovative nation in the latest computer technology, agriculture advancements and techniques, and medical research and achievements. Israel is also a world leader in the creation and manufacture of military weaponry. On any given day, Israel has one of the strongest economies and currencies in the world. The recent discoveries of several large natural gas fields off the coast of Israel have given Israel the energy it needs to be energy independent and to develop as a world-class economic leader in the 21st century.

According to Ezekiel 38:12-13, it will be the wealth and food in Israel that will tempt Russia, Iran, Turkey, and other nations to attack Israel. However, all of this current wealth is only the prelude to what will unfold in Israel during the millennial kingdom.

Israel is currently spending about 14 percent, about $15 billion, of its annual budget on defense. One can only imagine what would take place if these funds could be directed toward agriculture. This is exactly what will take place in the kingdom. Isaiah predicted that during the kingdom Israelis will "beat their swords into plowshares, and their spears into pruning-hooks." (Isaiah 2:4)

The land of Israel will become a lush garden, "like the Garden of Eden." (Ezekiel 36:35) "He shall cause them that come of Jacob to take root: Israel shall blossom and bud and fill the face of the world with fruit." (Isaiah 27:6) The millennial Israel will experience miraculous expansion and growth of infrastructure and construction of cities and highways. (Psalm 102:16; Isaiah 19:23-24; Ezekiel 36:33, 35; Amos 9:14)

The collective wealth in the final global superpower will surpass anything ever accomplished in all of human history. The business that Israel will conduct with the Gentile nations will cause the Jewish state to become the
economic giant of the ages. The transfer of wealth from the Gentile nations to Israel will be staggering. (Isaiah 60:6, 16) The Lord has promised: "For brass I will bring gold, and for iron I will bring silver, and for wood brass, and for stones iron." (Isaiah 60:17)

My friend, it should be crystal clear that we are living in a world in rebellion against God. We are watching the final conflict that is leading the nations of the world to Armageddon. At the heart of that conflict is Israel and its land. God has supernaturally called His chosen people back home to Israel and has caused them to thrive. We are witnessing the final drama that is leading to the beginning of the Tribulation Period. It is only a matter of time!

In light of all of this, we must be ready for the shout that will take us out!

As the Free-World Collapses
For those who study history and follow the trends in current events, it is abundantly clear that the free world and its flag-ship nation, the United States, are in the final stages of collapse. It is obvious that the enemies of the free-world are acting like sharks that smell blood and are preparing for the attack. Russia, Iran, North Korea, China, and various groups within the Islamic world are poised to take over the world when the United States officially falls from its superpower status. The United States and Europe are politically divided, morally corrupt, economically bankrupt, and spiritually pagan. To this we must add that both the U.S. and Europe are operating in the spirit of political appeasement and military retreat. All of these are signs of weakness.

Russia is making its move in Europe and the Middle East to flex its military muscle, almost daring anyone to stop them. No one has hindered them from taking eastern Ukraine. Now, Russia and Iran have agreed to come to the military aid of their friends in Syria. A DEBKAfile report on September 13, revealed that Russia and Iran agreed at the end of July to send a massive military buildup of marines, air force units, warships and missiles to northern Syria. "Russian forces are streaming to Latakia, and Moscow has declared the area from Tartous, Syria up to Cyprus closed to shipping and air traffic from Sept. 15 to Oct. 7 in view of a 'military exercise including test firings of guided missiles' from Russian warships." (DEBKAfile, September 13, 201) For those of us who study the prophetic Scriptures, this has set off a major alarm. According to Ezekiel 38, Russia and Iran, along with other allies from Turkey, Libya, and Sudan, will invade Israel in the last days. These troops are now occupying the same area from which they will invade Israel!

The same DEBKAfile reported that Russian President Vladimir Putin called Israeli Prime Minister Netanyahu in July and offered to help militarily guard the newly discovered gas fields in the Mediterranean Sea off the coast of Israel. Obviously, it was his plan to cash in on the billions that will be made from the exports of the natural gas now operated by Israel. It is worth noting that Putin never revealed to Netanyahu his plans for the military buildup with the Iranians in Syria. Netanyahu never responded to Putin's offer. Once again, all of this is very important in relationship to Ezekiel 38, which indicates that one of the major reasons for the Russian/Iranian invasion of Israel is to plunder Israel of its wealth. (Ezekiel 38:12-13)

In addition to these concerns, on September 15th USA Today reported: “North Korea … has restarted operations at its atomic bomb fuel production plants, … it is fully ready to use nuclear weapons against the United States.”

Europe is facing another immediate threat to its survival as a part of the free world. It has been known for decades that Europe is suffering from a serious demographic time bomb. Native Europeans are not having enough children to sustain control of their future political destiny. Many have observed that the growing Islamic immigration and natural birth rates of Muslims in Europe will finally overwhelm the continent in the coming decades. However, the steady stream of Muslim refugees that are currently fleeing the war-torn Middle East is speeding up this threat. Millions of Muslims are fleeing Libya, Syria, and Iraq. Hundreds of thousands are trying to enter Europe. No one can estimate at this point the impact this mass exodus of Muslims will have economically and demographically upon their host countries.

Radical Muslim leaders are praying that this will speed up the demise of Europe by flooding Europe with Muslims, making it a part of the Islamic world. John McTernan, the founder of Defend and Proclaim the Faith ministries and an expert in Biblical prophecy, recently commented about a fiery sermon that a top Imam, Sheikh Muhammad Ayed, gave at the Al-Aqsa Mosque in Jerusalem: "Speaking at
the Al-Aqsa Mosque in Jerusalem, Ayed stated that European countries were not rolling out the red carpet for migrants because they were compassionate, but because Europe was in dire need of a new source of labor. ‘Europe has become old and decrepit and needs human reinforcement….they are not motivated by compassion for the Levant, its people and its refugees,’ said Ayed, adding, ‘Soon, we will trample them underfoot, Allah willing.’

‘Throughout Europe, all the hearts are enthused with hatred toward Muslims. They wish that we were dead, but they have lost their fertility, so they look for fertility in our midst,’ he added. ‘We will give them fertility! We will breed children with them, because we shall conquer their countries!’ Ayed stated that ‘whether you like it or not,’ Americans, Italians, Germans, and the French will be forced to take the ‘refugees’. ‘We shall soon collect them in the name of the coming Caliphate. We will say to you: these are our sons. Send them, or we will send our armies to you,’ concluded Ayed.’

© The Sudden Collapse of this Present World System

A unique message by Mike Wingfield, presented in DVD or CD, please see page 8 to order

We live at an unprecedented hour in a world system that is vulnerable to sudden changes that could alter our way of life in any given 24-hour period! According to the Bible, some of these threats will materialize! The question is not “if” but “when.” The Scriptures indicate some future development or series of developments will suddenly collapse our present world system!
