

Earthquakes and the Beginning of the End

Introduction: The earthquake in Turkey was the most deadly of the 21st century.

The Bible predicts that massive earthquakes will be one of the major signs of the beginning of end for earth as we know it.

Jesus gave us this warning in Mark 13:8. They will increase in frequency, magnitude, and in many locations.

Let us examine some biblical observations about this earthquake and the beginning of the end of earth as we know it.
