

The Real Facts about the Middle East

This is where life began and will end.

In sharp contrast to most of the Western world, the Middle East has had a long history of conflict that has featured the struggle of the Jewish people and the Nation of Israel.

Genesis 15:18

All of the nations that are mentioned by name that come against Israel at Armageddon are all Muslim nations of the Middle East.

1. Why did God place Israel in the Middle East?
