

# The Global Plagues of the Last Days

## Introduction:

As the Alpha and Omega, God's creation and eternal plan reflect His infinite order and symmetry of all things. He has determined to orchestrate all things to harmonize the beginning with the end.

God sends plagues when people do three things.

Isaiah 24:5

1. When they transgress God's laws (truth, reality)
2. When they change God's ordinances (order)
3. When they reject God's covenant with Israel

It is very apparent that God's plan for the beginning and the ending of the nation of Israel will be very similar. Isaiah 48:10

Israel's beginning and ending as a nation included plagues.
