

Deadly Pre-Tribulation

Global Climate Change is Here

Daniel 12:10

Earth's most precious commodity

The Bible predicts that during the last days, a global water crisis will threaten life conditions on earth. This will be caused by increasing heat, lack of rain, and man's pollution of fresh water.

Water is God's gift to those who honor Him as the giver of life.

1. Water is used by God as a Blessing or Judgment

Deuteronomy 8:6-10

Deuteronomy 28:12

Deuteronomy 28:23-24

2. God's water crisis will judge the world in the last days

Revelation 16

Evidence from China, Russia, Africa

3. The Present Global Water Crisis

The **divine** causes of this crisis:
